Autodesk DWG Trueview Description.
AutoCAD is the graphic and design
software of choice for many architects
engineers and construction
professionals. However, taking
advantage of the software's functions
come at a high cost. More, paying for its
license to simply view the file it
produces is not cost-efficient.

Over on the oft-entertaining Deelip.com, there was an interesting comment made by Autodesk's Scott Sheppard. After going back and forth a few times over Autodesk's then-failure to allow Indian customers legal access to certain free Autodesk software downloads, Scott said this: I defer to Autodesk Legal on these matters which is where I get my guidance.
