Crackd Pot Trail A Malazan

The Cracked Pot Trail was a pilgrim's pathway from the Gates of Nowhere in Reliant City to the Shrine of the Indifferent God in Farrog.¹ The majority of the cobblestoned trail crossed the Great Dry, a large plateau of scrub grass and the occasional well or spring, and took around thirty-nine days to complete.² The final stage of the trail, called the Great Descent, passed three hundred feet ...

What Crack'd Pot Trail does well lies in its ability to expose the boundaries of authorship, which may interest non-traditional fantasy readers more than those who come to fantasy for an adventure (this may also be specific to the Malazan readership, since Erikson's work has often been cited as a participant in the nihilistic overthrow of fantasy -- whatever that means).

Apparently Erikson's signature world is called Malazan. Goats of Glory and Crack'd Pot Trail are my only exposures to it and it seems to hold promise. Coming in at 200 pages, the book is an efficient use of narrative length.

"Crack'd Pot Trail: A Malazan Tale of Bauchelain and Korbal Broach", however, doesn't make the cut for me. There are some humorous story elements and characters but they are interspersed by pages and pages of text that seem to be "jabberwockian" versions of Shakespeare's soliloquy's.
