[PDF] Smarter Investing in Any Economy: The Definitive ...

This book provides a good guide to investors interested in learning and applying about relative strength based strategies. The book certainly is not "The Definitive Guide to Relative Strength Investing " because it is very narrowly focused on one trading system application of relative strength. It could have done a much better job of illustrating many more relative strength based approaches. The first chapter in the book is the worst, it never defines relative strength properly and spends ...
