Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.

European Founders At Work

In European Founders at Work, several of the top European startup founders and venture capitalists are interviewed to explain their respective paths to building a successful company. It takes a similar approach to Venture Capitalists at Work and other books in Apress' elite At Work series but with a focus on the differences between building a successful company in Europe versus the U.S.

European Founders at Work: Amazon.co.uk: Santos, Pedro ...

European Founders at Work is a very interesting book. It is the perfect complement to *Founders at Work*, particularly for the European dimension. One comment though, I noticed 8 UK projects out of a little more than 20 and these 20 are mostly Software or Internet. More diversity may have been great. This being said, the lessons are great! Here are some...
