Monotheism

Read Free Monotheism

Monotheism is the belief in one god. A narrower definition of monotheism is the belief in the existence of only one god that created the world, is omnipotent, omnipresent and omniscient, and intervenes in the world.. A distinction may be made between exclusive monotheism, and both inclusive monotheism and pluriform

Read Free Monotheism

Monotheism is the belief that there is only one God in all places at all times. There were no gods of any kind that actually existed before God, and there will be no gods of any kind that actually exist after Him. We cannot become gods. No one can become a god. There are those that are called gods.
