Hotel Management System Model

Hotel design involves the planning, drafting, design and development of hotels. The concept of hotel design is rooted in traditions of hospitality to travellers dating back to ancient times, and the development of many diverse types of hotels has occurred in many cultures. For example, the advent of rail travel in the early 1900s led to the planning, design and

Comment by interior designers in Dubai on Jan. 29, 2017 at 11:56 pm. Nice article !

According to me the main purpose of interior design in a hotel is to create a “home away from home” for guests, although ideally the environment is more stimulating than the one where they live!
