islands, "A Stranger Came Ashore" was a book that combined everything I like in a story: island life and culture. In addition, the story revolves around the legend of the Great Selkie, and while this is a book written for young readers, I was enthralled from beginning to end by the atmosphere of mystery knitted around it.

A stranger came ashore to an island at that time--a man who gave his name as Finn Learson--and there was a mystery about him which had to do with these selkie creatures. Or, so some people say, anyway; but to be exact about all this, you must first of all know that the Selkie Folk are the seals that live in the waters
