Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

What are the top five self-reported temptations in America? According to a Barna survey: 1. Sixty percent of Americans are often or sometimes living in a state of noticeable and debilitating temptation to anxiety or worry, and the fear and dysfunction that usually come with it. The younger you are, the more probable it is that you are stuck in the rut of apprehension about life.
