Alternative Title: parōidía. Parody, in literature, an imitation of the style and manner of a particular writer or school of writers. Parody is typically negative in intent: it calls attention to a writer's perceived weaknesses or a school's overused conventions and seeks to ridicule them. Parody can, however, serve a constructive purpose, or it can be an expression of admiration.

The legalisms from the “Poem of Job” reflect the poet’s innovation. The author produced a legal metaphor which will be considered largely without reference to the Dialogue/Appeal in the “Poem.” The chapter raises one issue that is usually avoided—the question of God’s righteousness. Though this was presented in the poem “according to the rules” as wholly conventional ...
