Roshani Chokshi's The Star-Touched Queen is a fairy tale with an Indian feel. It's like A Court of Thorns and Roses meets Alice in Wonderland with a hint of Daughter of Smoke and Bone. Maya was born into the harem of the Raja of Bharata under an inauspicious horoscope.

The Star-Touched Queen is a loosely based retelling of the Greek mythology surrounding Hades and Persephone, but told in a setting to completely celebrate Indian culture. I loved every aspect of the retelling, but I also loved every new and inventive way Roshani crafted this into her own story.

In The Star-Touched Queen, we're led to believe that Maya is a headstrong, smart, independent woman who we should be rooting for. Her behaviour doesn't really reflect that. It begins with a really flimsy case of instalove which, for me, diminishes the character and once again puts her firmly in the realm of "I needed to fall in love to be useful" heroines.
